

Recording Equipment Components

A good microphone stand

A pop filter - lessens the explosive sounds that can come from words that begin with letters like b p d.

A recording interface . I use Scarlett Focusrite (An interface enhances and boosts the audio input from the microphone).

Headphones. I use Sony MDR7506 Professional Large Diaphragm .

A computer I use a Mac mini and a large monitor and GarageBand for my recording software.

A good microphone:

I use Audio Technica 2020

Some recommended [condenser mics](#) are:

- AKG 414:
- Neumann TLM 103
- Audio Technica AT2020, 2035 (), Audio Technica AT 4050
- Rode Classic MK1:
